

# OUR LADY OF THE ASSUMPTION SCHOOL

## 2023-2024 School Supply List – All Grades

Our Lady of the Assumption teachers have worked together to order some school supplies for the students in bulk to allow for continuity in our classroom supplies, as well as to reduce overall cost for families.

Therefore, we are asking for **\$35 supply fee per student** to pay for generic, bulk ordered classroom supplies that will be distributed on the first day of school to each child and will last the entire school year. **Parents are asked to send the supply order fee (cheque made payable to Assumption School) during the first week of school in September.**

Classroom supplies will be distributed on the first day of school to each child and will be replenished during the school year as needed. In addition to the classroom supplies, each student will need some individual supplies as outlined in the table below. \*Please note – we encourage you to reuse as many of these items as you can!

As always, we greatly appreciate your enthusiasm and support as we work to provide the best learning environment for your child. If you have any questions or concerns, please do not hesitate to contact the intermediate teachers. We would be happy to outline this further for you.
