

OUR LADY OF THE ASSUMPTION SCHOOL

2024-2025 School Supply List – All Grades

Our Lady of the Assumption teachers have worked together to order some school supplies for students in bulk (example: scissors, glue sticks, Duotangs, pencils, pens, rulers, binders and exercise books, etc) to allow for continuity in our classroom supplies, as well as to reduce overall cost for families.

During spring re-enrollment, we collected a **\$35 supply fee per student** to pay for the generic, bulk ordered classroom supplies that will be distributed to each child and will last the entire school year. Classroom supplies will be distributed in the first week of school and will be replenished during the school year as needed. In addition to the classroom supplies, each student will need some individual supplies as outlined in the table below. *Please note – we encourage families to reuse as many of these items from previous school year as you can!

As always, we greatly appreciate your enthusiasm and support as we work to provide the best learning environment for your child. If you have any questions or concerns, please do not hesitate to contact the teachers. We would be happy to outline this further for you.
